## ii. GENERAL OVERVIEW

### 1. SCOPE

To provide the Township of Ramara and/or Lagoon City Parks and Waterways with an approved site for harvested weed acceptance and disposal of cut aquatic plants (Non-Agricultural Source Material (NASM) Category 1) from the Lagoon City Channels and waterways.

### 2. FORM OF QUOTE

All quotations must be on the forms provided, clearly marked with "Harvested Weed Acceptance and Disposal".

### 3. QUOTATION DEPOSIT

A certified cheque made payable to the Township of Ramara in the amount of \$2,000.00 (two thousand dollars) and must be submitted with the quotation. The cheque of the unsuccessful bidders will be returned within ten (10) business days of the quotation acceptance. The cheque of the successful bidder will be retained until the Township and/or Commission accepts the work. For electronic submissions, a copy of the certified cheque shall be attached to the bid package. The successful bidder shall supply the certified cheque to the Township within 10 business days after receiving notification of acceptance of the submitted quote.

### 4. FREEDOM OF INFORMATION

All submissions to the Township become the property of the Township and such are subject to the "*Municipal Freedom of Information and Protection of Privacy Act.*"

### 5. BRIBERY/FRAUD

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of the Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder's submission or contract.

### 6. PURCHASING PREFERENCE

No preference will be given to any business for goods and/or services provided to the Township and/or Commission.

### 7. INSURANCE

The Successful bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars (\$5,000,000.00)** inclusive **per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **the Corporation of the Township of Ramara and the Lagoon City Parks and Waterways Commission** as an additional insured in respect of all operations performed by or on behalf of the Bidder.

The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion or limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00)** per occurrence.

## 8. WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)

The successful bidder(s) shall supply a Certificate from the WSIB prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Workplace Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1, 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for the Township. If the Bidder(s) does not have Independent Operator Status, the Bidder shall;

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,
- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider.

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB or court or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township. The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

## 9. TRAFFIC CONTROL

Not Applicable

## 10. UNDERGROUND LOCATES

Not Applicable

## 11. ACCESSIBILITY

The Bidder(s) shall comply with the provisions of the *Accessibility for Ontarians with Disabilities Act* 2005, S.O. 2005, chapter 11 and the Regulations with regard to provision of the goods and/or services contemplated herein, including, without limitation, section 6 of Ontario Regulation 429/07, Accessibility Standards for Customer Service, as amended. The Bidder(s), when applicable, shall ensure that its employees, agents, volunteers and representatives receive training regarding the provision of the goods and services to person with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, in deciding to purchase goods or services through its procurement process, is required to consider the accessibility for persons with disabilities, when applicable and practical to do so.

## 12. HEALTH & SAFETY

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHSA), applicable Regulations, applicable standards, and other applicable legal requirements.

Unless otherwise stated, the successful bidder, for the purposes of the OHSA, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the OHSA, applicable Regulations, Standards, *Environmental Protection Act* (EPA), other legal requirements, and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract,
- The immediate removal of the Constructor and/or sub-contractor's equipment from the site,
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township.

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the OHSA, applicable Regulations and environmental requirements are complied with,
- ensure workers are aware of the hazardous substances that may be in used at the workplace,
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable,

- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation,
- The Constructor acknowledges that they are familiar with the OHSA, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted,
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the OHSA, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township harmless for damages or fines arising from any breach or breaches of the said OHSA and other applicable legal requirements.
- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township by reason of a breach or breaches of the OHSA and applicable Regulations by the Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.
- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**12. Health & Safety**) will apply to the subcontractor and the Constructor will enforce said provisions.
- The Township may consider previous OHSA violations as grounds for rejection and the Township may terminate any contract arising from this document if the Bidder is continuously in violation of OHSA requirements.

Proof of the above may be required by the Township at any time from tendering to project completion.

### **13. ASSIGNMENT OF CONTRACT**

The successful Bidder(s) shall not assign transfer, convoy, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.

### **14. SPECIFICATIONS**

- a. The Location must be approved to receive (solid non-hazardous waste) NASM Category 1 material under the Nutrient Management Act and must be able to meet all requirements for NASM under Ontario Regulation 267/03.
- b. The equipment being used to deliver the harvested aquatic weeds will be a forty cubic yard waste bin and a triaxle truck and the site must be able to receive such equipment and have an adequate location and space for unloading.
- c. The amount of material to be hauled will depend on weed growth, water levels, and weather. Typical average loads per day are 1 but may increase to 2 during peak times. One will be delivered in the morning and the second if required will be in the afternoon

- d. The typical season for aquatic plant harvesting is July 1st through to Thanksgiving, the season is greatly affected by weather and could have rapid or delayed growth, the estimated start date is July 2, and estimated end date is October 10.

## **15. DAMAGE BY VEHICLES AND OTHER EQUIPMENT**

If at any time, in the opinion of the Manager of Municipal Works or designate, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the contractor shall, on the direction of the Manager of Municipal Works and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment or shall alter loadings or shall in some other manor remove the cause of such damage to the satisfaction of the Manager of Municipal Works, including re-routing haul routes.

## **16. LOADING OF MOTOR VEHICLES**

Where a vehicle is hauling material for the use on the specified work, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond its legal limit as specified in the *Highway Traffic Act*, whether such vehicle is registered in the name if the contractor or otherwise.

## **17. AWARD OF QUOTATION**

The award of the tender will take the following into consideration:

- a. Expertise;
- b. Access to equipment possessing the required safety devices to conform to all regulations
- c. Availability;
- d. Reliability;
- e. Past Performance; and,
- f. Price.

## **18. HIGHWAY TRAFFIC ACT**

The Bidder(s) of any equipment being used under hire by the Township shall be responsible to ensure the equipment is in full compliance of all statues of the *Highway Traffic Act*, R.S.O. 1990.

## **19. PRICING AND PAYMENT**

Payment at the contract price shall be compensation in full for the supply of all labor and equipment necessary to complete the work to the satisfaction of the Commission. Payment at the quoted price shall be paid upon submission of invoice after completion.

## **20. HOURS OF WORK**

Hauling will take place between the hours of 7:00 a.m. and 4:30 p.m., Monday to Friday. There may be additional hours due to the growth rate of the aquatic plants during the season and is the discretion of the Commission, or their designate.

**21. APPROXIMATE NUMBER OF LOADS**
