

Pet Adoption

Meet: Masha

Breed: Kangal

Age: 4 years

Sex: Female

Information: Meet Masha! She arrived at our shelter feeling scared and a bit shy, but she has quickly warmed up to our staff, and we believe she will do the same with you! Masha is a female Kangal dog in search of the right flock to guard or a loving family to adopt her. Staff are unaware on how Masha would be with other animals, so it is encouraged to bring them along for the visit.

Please contact the Township of Ramara using the information below to schedule a meeting.
